

Garbage Disposal Usage

- Use of garbage disposals in multi-story buildings is problematic, and misuse causes blockages, inconvenience, huge messes, and expense.
- Use your garbage disposal only for the small amount of residue washed off plates. Everything else should go into the garbage.
- Flush with plenty of water before, during, and after running the disposal. Remember, HOA pays the water bill.

NEVER put down your drain:

- ✓ chicken bones
- ✓ rice
- ✓ spaghetti
- ✓ coffee grounds
- ✓ banana peels
- ✓ potato peels
- ✓ onion peels
- ✓ chicken skin
- ✓ corn husks
- ✓ any fibrous vegetable e.g. carrots, celery, artichokes, asparagus.
uncooked rice.
